

New Practice and Expansion Financing

Meeting the demands for high quality patient services, while staying in your budget, requires the right financial partner. Group Financial Services has been a leading provider of financial products and services designed specifically for start-up and expanding practices for more than 30 years. We have the experience and expertise to design a custom solution that will meet the specific needs of your project.

100% Financing for your project!

Funds available for almost any use:

Equipment | Ground Up Real Estate Mortgages | Business Supplies | Operating Capital
Leasehold Improvements | Cabinetry, Furniture & Fixtures | Computers, Software and More!

- **Easy and Organized Access to Funds:** Drawing funds to pay vendors, contractors or for working capital is as easy as picking up the phone or using a fax.
- **Cash Flow Management:** Bridge loans are available. You will usually not be required to make any out of pocket payments until your practice is up and running.
- **Competitive Repayment Terms:** Choose from a variety of low rate payment schedules. Graduated and deferred payment programs are available that "step up" your payments as your cash flow increases.
- **Clear and concise documentation with early pay out options**
- **Customer service support through your entire project:** A dedicated and experienced GFS project account manager will provide expert accounting services to help you manage payment to your vendors.
- **Custom Site Analysis – Demographic Reports Available**
